**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

**In the matter of Trademark  
Application Serial No.: 86/923,011**

**For the mark: VALE INSURANCE PARTNERS and design**

**Published in the Official Gazette on: October 11, 2016**

**VALE NATIONAL TRAINING CENTER, INC.,**

**Opposer,**

**v.**

**OPPOSITION NO. \_\_\_\_\_**

**VALE INSURANCE PARTNERS LLC,**

**Applicant.**

**NOTICE OF OPPOSITION**

Vale National Training Center, Inc. (“Opposer”) believes that it has been and will be damaged by registration of the mark shown in Application No. 86/923,011 (the “Application”), and therefore files this Notice of Opposition pursuant to 15 U.S.C. § 1063, and would respectfully show the Board the following:

**I. Parties**

1. Opposer is a Texas corporation having a principal place of business at 2424 E. Randol Mill Road, Arlington, Texas 76011.

2. Vale Insurance Partners LLC (“Applicant”) is an Illinois limited liability company having an address of 2920 W. Coyle Ave., Chicago, Illinois 60645. The correspondent of record for Applicant is Paul C. Llewellyn of Kaye Scholer LLP at 250 West 55th Street, New York, New York 10019.

## **II. Standing**

3. Opposer owns incontestable U.S. Registration No. 3,782,029 for the mark “VALE TRAINING SOLUTIONS” for use in association with “education services, namely, training and courses in the fields of appraising damage to automobiles, trucks, heavy equipment, mobile homes, recreational vehicles and all forms of property, casualty, workers compensation, legal liability, adjuster and agent licensing, professional development, professional designations, OSHA and healthcare” in international class 41. The mark was registered on April 27, 2010. The Registration is valid and subsisting. The date of first use cited in the Registration is September 2008. A copy of U.S. Registration No. 3,782,029 is attached as Exhibit A. A printout from the USPTO’s TSDR database for Registration No. 3,782,029 is attached as Exhibit B.

4. Opposer owns incontestable U.S. Registration No. 3,782,028 for the mark “VALE TRAINING SOLUTIONS” and design for use in association with “education services, namely, training and courses in the fields of appraising damage to automobiles, trucks, heavy equipment, mobile homes, recreational vehicles and all forms of property, casualty, workers compensation, legal liability, adjuster and agent licensing, professional development, professional designations, OSHA and healthcare” in international class 41. The mark was registered on April 27, 2010. The Registration is valid and subsisting. The date of first use cited in the Registration is September 2008. A copy of U.S. Registration No. 3,782,028 is attached as Exhibit C. A printout from the USPTO’s TSDR database for Registration No. 3,782,028 is attached as Exhibit D.

5. Opposer owns incontestable U.S. Registration No. 2,255,689 for the mark “VALE NATIONAL” and design for use in association with “education services, namely, training in the field of appraising damage to automobiles, trucks, heavy equipment, mobile homes, recreational

vehicles and all forms of property” in international class 41. The mark was registered on June 22, 1999. The Registration is valid and subsisting. The date of first use cited in the Registration is 1979. A copy of U.S. Registration No. 2,255,689 is attached as Exhibit E. A printout from the USPTO’s TSDR database for Registration No. 2,255,689 is attached as Exhibit F.

6. The marks shown in Registration Nos. 3,782,029, 3,782,028, and 2,255,689 are hereinafter collectively referred to as “Opposer’s Marks.” The services listed in Opposer’s Registration Nos. 3,782,029, 3,782,028, and 2,255,689 are hereinafter collectively referred to as “Opposer’s Services.”

7. Since before the date of filing of the Application, Opposer adopted and used Opposer’s Marks in association with Opposer’s Services. Opposer has continuously sold its services under Opposer’s Marks since the adoption of the marks.

8. Opposer has expended substantial amounts of money, time, and effort in advertising and promoting Opposer’s Marks. The trade and purchasing public have come to know and recognize Opposer’s Marks and the associated services as being those of Opposer and that these services originate with Opposer. Hence, Opposer’s Marks identify Opposer as the source of Opposer’s Services and distinguishes those services from those of others.

9. Opposer’s Marks are inherently distinctive or have acquired secondary meaning.

10. By virtue of the excellent and consistent quality of the services sold under Opposer’s Marks, Opposer has become well known and has acquired an excellent reputation for the services sold in connection with Opposer’s Marks. Opposer’s Marks are symbolic of the goodwill and consumer recognition established by Opposer and indicative of its reputation for excellence in the industry.

11. On information and belief, Applicant has adopted the mark “VALE INSURANCE PARTNERS” and design (“Applicant’s Mark”) for use in association with “insurance services, namely, a managing general agency that engages in the solicitation, brokering, underwriting, issuance, and administration of property insurance and casualty insurance products, on an admitted and non-admitted basis, on behalf of insurance carriers” (“Applicant’s Services”) in international class 36. An application to register Applicant’s Mark was filed on February 29, 2016. The Application was filed under Section 1(a) as a use based application with a stated date of first use of January 8, 2016. The Applicant’s Mark was published for opposition on October 11, 2016.

12. On November 10, 2016, Opposer requested a ninety (90) day extension of time, or until February 8, 2017, to oppose registration of Applicant’s Mark. Opposer’s request was granted on November 10, 2016.

### **III. Grounds**

#### **Likelihood of Confusion 15 U.S.C. § 1052(d)**

13. Under § 2(d) of the Act, 15 U.S.C. § 1052(d), Applicant’s Mark so resembles Opposer’s Marks, previously used in the United States and registered with the USPTO by Opposer and not abandoned, as to be likely, when used on or in connection with Applicant’s Services, to cause confusion, to cause mistake or to deceive.

14. Applicant’s Mark is confusingly similar to Opposer’s Marks. The similarity in sight, sound, and appearance between Opposer’s Marks, and Applicant’s Mark creates a similar or identical commercial impression.

15. The description of services in the Application is similar to Opposer’s Services at least to the extent that both are rendered in the insurance industry.

#### **IV. Damage**

16. Opposer has superior rights in Opposer's Marks as compared to those of Applicant since Opposer has used Opposer's Marks in commerce continuously and prior to the filing of the Application and prior to Applicant's stated date of first use. Consequently, confusion, mistake or deception in the trade and in the minds of the consuming public between Opposer and Applicant as to the origin of Applicant's Services is likely to occur and be exacerbated with resulting damage to Opposer if the mark shown in the Application is allowed to be registered.

#### **V. Fees**

17. Pursuant to 37 C.F.R. 2.6(a)(17), the required fee of three hundred dollars (\$300.00) is submitted herewith in conjunction with the filing of this Notice of Opposition in one class, class 36.

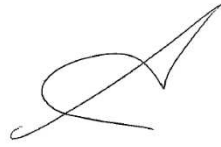

18. The Board is authorized to charge additional required amounts or issue any credits for overpayments to Deposit Account No. 50-2225.

**WHEREFORE**, Opposer prays that registration of the mark as shown in Application No. 86/923,011 be denied.

Dated: November 22, 2016.

Respectfully submitted,

---
